P&C Meeting: AGM

The Annual General Meeting of the P&C Association will be held next Tuesday 17th February commencing at 6.30pm in the community hub. At this meeting the new Executive for 2015 will be voted in. If you wish to nominate for a position and can't make the meeting you can forward a written nomination to the Principal. The positions are President, Vice President, Secretary and Treasurer.

Children accompanying parents will be under adult supervision in the Kindergarten room. We particularly welcome new parents in our school to come along.

Class ‘Meet and Greet’ Afternoon

The class “Meet and Greet” Afternoon will be held next Tuesday 17th February from 3.20pm to 4pm. Come along and meet your child/ren’s teacher and find out a little more about their class this year.

School Contributions

It is that time of year when we ask families for their Annual School Contributions (school fees). We are increasing the cost per student slightly with the maximum family payment remaining the same.

$25 for each child.

A maximum of $50 for 3 children or more at our school (per year).

While the government funds cover many of the resources in the school, we rely on parent contributions to ensure that your child has access to so many other quality educational resources. The parent contributions cover costs such as exercise books, pencils, photocopying, art/craft supplies, sporting equipment, printing computer work and paper.

If Your Child Is Absent From School

If your child has to be absent from school for any reason, please send a signed note to the office explaining the reason for the absence within seven days. An information sheet regarding the importance of regular school attendance is attached to this week’s Bulletin.

Please note that changes to DEC state policies mean that family holidays are no longer an accepted category for exemption from school attendance. These periods of leave will now recorded as an absence.

Swimming Carnival

Come along and join us at the swimming carnival this Wednesday! Remember all children are expected to attend as there are novelty events for students not participating in races. All payments and notes should now be returned to the office as payments on the day are very difficult to manage.

Road Safety

I would like to thank parents for following the road rules outside our school but would like to remind parents about the parking zones.

**No Stopping**
You CANNOT stop here at all. It is an offence to *stop on or near a children's crossing* as it unsafe for our students using the crossing.

**Disabled Parking**
You CANNOT stop here at all unless you have a valid mobility parking permit. This zone is used by families in our school so please ensure it is free for their use.

**No Parking**
You may only stop here for 2 minutes and must stay within 3 metres of your vehicle. Please ensure you adhere to this time limit as many cars are trying to access this area to pick up their children. If you wish to stay longer than this time period please park in other areas.

There will be police patrols throughout the term and fines between $165 to $496 and demerit points between 2 and 3 do apply.
Please assist us in keeping our children safe.

**Line Dancing**

RED HOT & COUNTRY is excited to announce a new beginner class will commence on Friday 13 February at Kemps Creek Primary School.
This will be a six week basic beginner program, to share the basics of line dancing and learn some great fun dances. Classes start at 11.30am for an hour.

Dancing is a great way to become more active and fit. Dancing builds confidence, it increases social skills, and is a great way to express yourself. And of course it is FUN !!!

For more information or to book call OLCC on 9606 0629.
