Dear Parents,

We are looking forward to a great afternoon on Friday celebrating the many different cultures represented in our school.

The theme of the afternoon is “Unity” – bringing together everyone in our community through food, music, drama and information. It will be wonderful to see as many families as possible here to celebrate together.

CCOS Chess Competition

Our school debating team and Miss Chesham attended a workshop day last Wednesday and participated in their first debate. It was a difficult topic, “Honesty is the best policy” but they made a great effort. Well done Samantha, Antonina, Jessica and Tiyana.

Their next debate will be this Wednesday at Kemps Creek PS with the topic “Should students be allowed to bring their pets to school”. Good luck girls!

District Cross Country

It was under foreboding skies last Friday that we departed for the District Cross Country which was held at Brenan Park Smithfield. After being rained out the week before we were all keen to get racing and luckily the weather held.

As usual all the children involved did exactly what we expect from Kemps Creek kids, they all tried their best. Their behaviour was exemplary and I was very proud of each and every one of them.

A special congratulations to Jorja J who came 4th and will be competing at the Regional Cross Country Carnival.

A big thank you also to all the parents who helped with transport on the day. Your help and support is much appreciated.

Kemps Creek Writers

We would like to share some of our students’ writing with you. Zahrah and Attila have been writing persuasive arguments and shared them at assembly.

Dear Mr Brown,
My name is Zahrah and I really want to be Merida in your new movie. The reason why I want to be Merida is because I can scream really, really loudly. And when I get into my clothes and put on the red curly hair I will look exactly like Merida. I am really, really good at bow and arrow. I do not want to be a princess either.

Dear Mr Brown,
My name is Attila. I really want to be a footy player. I will put on my footy clothes so you can watch me play on the field. I will score and make you impressed and make our team first on the ladder. I’ll keep trying so we play hard every day. We will try so much to win.

Happy Birthday to the following children for this week.....
Antonia L, Tiannah

School Attendance

Did you know that if your child misses as few as eight days in a school term, by the end of primary school they will have missed the equivalent of a whole year of education?

By law, you are required to send your child to school every day. If your child has to be away from school for any reason, please send a signed note explaining the reason for the absence, as soon as possible.

With the winter cold and flu season upon us we ask that if your child is unwell please keep them at home to contain the spread of illness. If children attend any school events whilst they are ill it can impact on the rest of our children. I trust parents understand the school’s role in this matter.

Why is arriving at school on time important?

Arriving at school and class on time:
• ensures that your child doesn’t miss out on the important learning activities scheduled early in the day when they are most alert
• helps your child to learn the importance of punctuality and routine
• gives your child time to greet their friends before class and therefore
• reduces the opportunity for classroom disruption.

Lateness is recorded as a partial absence and must be explained to the school the same way as other forms of absence.

Student Absence Letters

As a part of our computerised attendance records letters are generated for student absences when a reason for non-attendance has not been provided.

These letters will be sent home today. Please assist the school by returning these letters to the office as soon as possible. If you have provided a note please let the office know.
